C. N. ALLEN, Editor Sentinel.	

We are under obligations to Hon. J. W. White for valuable public documents.

Lieut. McConnell, 30th Ohio, requests us to say to the members of that regiment in this county, that they are required to report to him in Cadiz by next Monday morning at 5 o'clock. Fall in!

Ball's Ohio Mower and Reaper.
Mr. Laizure has associated with him in the role of these celebrated Mowers and Reapers, our friend, Mr. L. H. Hefling. These gentlemen intend to devote their whole time to the sale of these justly celebrated Mowers and Reapers. Three of our farmers who intend to purchase a Reaper or Mower this season, should give Ball's Ohio Mower an examination before purchasing elsewhere, as we believe by so doing they will not only get a good machine, but make money in the operation.

Brilles' New Clothing.—Brilles' new clothing has arrived, and is said by all judges to be as nice a stock of goods as has ever been exhibited in Cadiz. Brilles always keeps a large stock of goods, and in his business connections in the east has superior advantages in purchasing. Give him a call.

The Draft.—It is the opinion of Provost Marshal Ready that the draft in this district will be enforced this week. By reference to an article in another column it will be seen that the deficiency in this county is 36. If this number is not raised by volunteering, 50 per cent. will be added, which will increase the number drafted to 54. It would save money to the townships drafted to raise the requisite number of volunteers, than have the draft enforced, even if liberal bounties had to be paid. The delinquent townships should see to this immediately.

The Militia.
Cadiz has assumed quite a warlike appearance. The call by the Governor on the militia organization known as the "National Guard" has raised the excitement to fever heat. A simple order from the Adjutant General, endorsed "by order of the Governor," has transformed the peaceful citizen into a soldier of the United States. From the plough, where the necessities of the hour require that so many men should be kept at this time, from the work-shop and the store this mandate summons the citizen to the field of carnage.

The "Guard" of Harrison county, in obedience to the order of Lt. Col. Saunders, assembled in Cadiz on last Monday to the number of 400, embracing six companies. They are as fine a looking body of men as we have ever seen assembled together, are gentlemanly in their deportment, and we have no doubt but that they will prove valiant soldiers. Under good officers they will make an efficient arm of the service, and honor their State by the performance of brave deeds.

The "substitute" business is the "bone of contention." The law makes no provision for substitutes except with drafted men, and the men generally seem determined that those who have volunteered shall serve. How the matter will be determined we do not know. We noticed many of the "last man and last dollar" individuals from different townships anxiously hunting substitutes—seemingly determined that they themselves will be the "last man."

The men are quartered at the hotels and private residences—the citizens opening their houses willingly to accommodate the soldiery. They are already expecting to be ordered to Columbus.

The Coming Draft.

The following table shows the deficiency and excess of men furnished by the different townships in this (Harrison) county, under the calls for 700,000 men, up to April 15, 1864:

Township.	Deficiency.	Excess.
Athens	—	2
Archer	—	4
Cadiz	—	17
Franklin	—	1
Greene	—	13
German	—	4
Moorefield	—	16
Monroe	—	3
Nottingham	—	8
North	—	2
Rumley	—	7
Short Creek	—	4
Stark	—	6
Washington	—	35

From the above statement, received from the Provost Marshal, it appears that 36 men, with 50 per cent. added, will have to be drafted from our county, unless the deficiency shall be filled by voluntary enlistment, immediately, for the townships (shown deficient) as above indicated.

D. B. WELCH,
Sec'y Har. Co. Mil. Com.

The Provost Marshal of this District, Hon. A. T. Ready, has furnished D. B. Welch, Esq., Secretary of the Harrison County Military Committee, with the number of veterans assigned to this county, as reported to his office from the office of the Provost Marshal General of Ohio. The names are not reported. The credits are as follows, to the different townships:—

Stark: Washington: From 43rd, 2; 13th, 1; total 3.
If you want a good picture, call on Mrs. Collins, at the Cadiz House. Her photographs are hard to beat.

Ferguson & Conwell.—Sam Ferguson has fitted up the room formerly occupied by him as a confectionary store, and has filled it with the most superb stock of clothing ever exhibited in Cadiz. He has associated with him in the business, Mr. John Conwell, well known as an experienced tailor. We have looked at their clothing and piece goods, and will say their stock is splendid, and prices as reasonable as any one could expect. Everybody that knows Sam Ferguson know him to be as honest as the day is long, and no person need fear being imposed upon when purchasing of Ferguson & Conwell. Their profit will always be reasonable. Call and see them.

McCullough, Coultrap & Co., is the style of the new firm in Deersville, whose advertisement may be found in to-day's paper. Our old friend, Mr. Wm. C. Parry, a well known and experienced merchant, who is favorably known as a correct business man, is connected with this firm. We predict for the firm an abundant success.

Labored under a wrong impression.
We have had the pleasure to wait on a customer, who has read our advertisements for four years, and did not give us a call until now; for said he I always thought those merchants who advertise the most have the least for sale; but I see I was mistaken in your case. You really have a splendid assortment at low prices—very low prices—sorry I did not call at your house before—would have saved hundreds of dollars.

I have no doubt that hundreds of people would think like our new customer does, if they would take the reasonable trouble to call, examine and price our stock of goods mentioned in my new advertisement.

J. BRILLES.
THE BRIDGE AND PAN HANDLE RAILROAD.—The work on the railroad bridge now being constructed over the Ohio river, at Steubenville, is progressing successfully; and the work on the Pan Handle is being pushed forward with all possible speed. It is confidently expected that the road will be completed by all possible speed. It is confidently expected that the road will be completed by all possible speed. It is confidently expected that the road will be completed by all possible speed.

PRICE OF WOOL.—McClellan & Barry and T. K. Williams sold 15,000 pounds of Wool last week, to an Eastern buyer for 78 cents per pound.—Judge Moffit and John Waddington sold their clip, about 1,400 pounds, to the same purchaser for 80 cents per pound. This, we believe, is the highest price that has ever been paid for Wool raised in this county.—[Tus. Advocate.]

SUCCESS!

NEXT to enjoying good health, nothing is so pleasant as to be successful in one's pursuits. For it not only sweetens our existence, but often prolongs it. To reach the meridian of life, to look into the past; to see the past full of crowned with having well provided for those we love and cherish, are such delicious pleasures that they make one young again. But this comfortable position cannot be attained without extraordinary efforts.

DR. HOOGLAND'S

German Bitters.

PREPARED BY

DR. C. M. JACKSON

PHILADELPHIA, PA.

Will Effectually and most certainly cure all Diseases arising from a Disordered Liver, Stomach, or Kidneys.

THOUSANDS of our citizens are suffering from Dyspepsia and Liver Disease, and to whom the following questions apply—Will you cure them?

Do you rise with a coated tongue, with a bad taste in the mouth and poor appetite for breakfast? Do you feel when you first get up as weak as a languid cat? Do you get about? Do you have dizziness in the head at times, and often a dullness, with headache occasional? Are your bowels constive and irregular, and appetite changeable? Do you throw up wind from the stomach, and do you swell up often? Do you feel a faintness after eating, and a sinking when you attempt to walk? Do you have heartburn occasionally? Do you feel less spirited, and look on the dark side of things? Are you not unusually nervous at times? Do you not become restless, and often lay until midnight before you can go to sleep, and then at times don't you feel dull and sleepy most of the time? Is your skin dry and scaly? Also follow? In short is not your life a burden, full of forebodings?

Hooiland's German Bitters will cure every case of chronic or nervous Debility, disease of the Kidneys, and diseases arising from a disordered

Observe the following symptoms resulting from Disorders of the Digestive Organs:

Constipation, Inward Piles, Fulness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Diarrhoea for food, Loss of Weight in the Stomach, Sour Eructations, Sinking or Fainting at the Pit of the Stomach, Swelling of the Head, Harshness and Difficulty of Breathing, Fluctuating in a lying posture, Dizziness of Vision, Drowsiness or Wakefulness, Pain in the Side, Back, Chest, Limbs, A sudden chilliness or burning in the flesh, Constant Imagining of Evil, and great Depression of spirits.

Particular Notice

There are many preparations under the name of Bitters, put up in quart bottles, composed of the cheapest whiskey or common rum, containing 20 to 40 cents per gallon, the taste disguised by Anise or Cardamom Seed.

This class of Bitters has caused and will continue to cause, as long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually under the influence of Alcoholic Stimulants of the worst kind, and the desire for liquor is created and kept up, and the result is all the horror attendant upon a drunkard's life and death.

For those who desire and will have a Liqur Bitters, we publish the following receipt: Get One Bottle of Hooiland's German Bitters and mix with Three Quarts of Good Brandy or Whisky, and the result will be a preparation that will far exceed in medicinal virtues and true excellence any of the numerous Liqur Bitters in the market, and will cost much less. You will have all the virtues of Hooiland's Bitters in connection with a good article of Liquor, at a much less price than these inferior preparations will cost you.

Hooiland's German Bitters WILL GIVE YOU

Such has been the case in thousands of instances, and a fair trial is but required to prove the assertion.

Remember that these Bitters are

Clergymen,

Testifying of their own personal knowledge, to the beneficial effects and medicinal value of these Bitters.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may contribute to the benefit of others.

I do this the more readily in regard to Hooiland's German Bitters, prepared by Dr. C. M. Jackson of this city, because I was prejudiced against them for many years, and the impression that they were merely an alcoholic mixture, I am indebted to my friend Robert Bloomer, Esq., for the removal of this prejudice by proper tests, and for encouraging me to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at an evening, has restored me to a degree of bodily and mental vigor which I had not enjoyed for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

PHILADELPHIA, June 23, 1861.

J. NEWTON BROWN.

—Diseases in Kidneys and Bladder, in young or aged, male or female, are speedily removed, and the patient restored to health by the use of DELICATE CHILDREN.

Those suffering from ARTERIAL, wasting away, with neuralgia, or any kind of nervous disease, are cured in a very short time; one bottle in such cases will have a most surprising effect.

PARENTS

Having suffering children as above, and wishing to raise them, will never regret the day they commenced with these Bitters.

LITTLE MEN AND CHILDREN.

And those working hard with their brains, should always keep a bottle of Hooiland's Bitters near them, as they will find much benefit from its use, to both mind and body, invigorating and not depressing.

It is not a Liqur Stimulant, and leaves no prostration.

TO Teachers.

EXAMINATIONS will be held as follows: commencing at 10 o'clock of the day mentioned, and continuing three days: At HUNTSVILLE, June 29th, 1864. At CADIZ, October 2nd, 1864. At CADIZ, March 23rd, 1865.

The Examiners desire to call the attention of teachers to three items of the amended school law viz: each male applicant is required to pay 50 cents, and each female applicant 35 cents; a teacher's license must certify that the holder of it possesses an adequate knowledge of the theory and practice of teaching; a teacher must have a legal certificate covering the entire time of the services for the payment of which an order is drawn.
